

It's *your* legacy

Careful preparation today enables us to envision the future. One where tradition and family are preserved, opportunities are made accessible, and interests are met.

By including the Fife High School Scholarship Foundation in your estate or financial plans, you will make a lasting difference and provide opportunities for future generations of Fife Trojans.

We encourage you to consider how you may make an impact you perhaps never thought possible.

You will be creating *your* legacy.

Tangible Impact Today, Tomorrow... and Forever

There are many ways to leave a lasting legacy at Fife High School.

By including the Fife High School Scholarship Foundation in your estate or financial plans, you will make a lasting difference and provide opportunities for future generations of Fife Trojans.

You can plan a gift to benefit the students at FHS today or after your lifetime, often with tax benefits for you.

Contact us to get your giving plan started.

IMPACT FUTURE GENERATIONS

What's *your* legacy?

The Heart of the Trojan

What is the Heart of the Trojan? The Fife High School campus has signs posted all around stating: Family-Honor-Service. Teaching these character values is at the core of our responsibility as a community and as a school.

Which core values make up the foundation of Family-Honor-Service? Twelve values have been identified as the "The Heart of the Trojan". They are: acceptance, commitment, courage, empathy, forgiveness, honesty, humility, integrity, kindness, respect, sacrifice, and selflessness.

The Heart of the Trojan and You. The values listed above are embodied in the scholarships that we offer to Fife students. Undoubtedly, these are values that impact your life. Your gift is a way of giving back and paying forward, recognizing the value of further education.

What's Your Legacy?

Reflecting upon key experiences and influences in your life, you support the places, organizations, and groups that have impacted you... ensuring they will be there for others in the future. Giving to the Fife High School Scholarship Foundation (FHSSF) is a simple and heartfelt way to ensure your support continues for generations to come. Everyone is unique and is able to contribute to their legacy differently. FHSSF offers a variety of ways to impact future generations of Trojans.

Planning Your Legacy at Fife High School

Helping students succeed. It's what we aim to do. More than ever before, students attending college or a technical/vocational program pay a larger share of tuition and expenses. FHSSF has been a consistent source of support for many students, offering over 50 scholarships that assist with post high school expenses. In the past decade alone, FHSSF has awarded over \$400,000 to just under 500 students.

Please consider how, through thoughtful planning, you can make an impact you perhaps never thought possible. Help FHSSF encourage future Trojans to fulfill their dreams and give them an impactful reason to succeed.

Contact us to find out how you may make an immediate impact.

Your Legacy, Your Values

Within the Fife High School community, either as an alumnus, parent, or business partner, we practice what we call values. FHSSF will work with you to understand the kind of legacy you want to leave for your family, friends, and the causes you care about deeply.

One of the first steps in creating your legacy is to think through your values so they can be reflected in your plan:

- * What values or principles guide how you live your life, raise your children, run your business?
- * What is the most satisfying charitable gift you have made?
- * What role has philanthropy played in your family and what value would it bring to your children or grandchildren?
- * What could your philanthropy accomplish that would be most meaningful to you?

Founded in 1960 by Mr. Frank Gustafson, the purpose of the Fife High School Scholarship Foundation is to provide financial support to graduating seniors who want to continue their education beyond high school.
